FY23+ OCONUS BUSINESS OPPORTUNITIES TRANSATLANTIC DIVISION (BOOTH 449)

Opportunity*	Location	District / Center	Release Date (Qtr)	NAICS	Cost Range	Acquisition Strategy	Solicitation Type
Fuel Cell & Phase Maintenance Hangar	Jordan	Middle East (TAM)	Q1 FY23	236220	\$10-25M	Unrestricted	C-Type FFP
Description of Work: This MILCON project consists of the construction of two (2) single-bay fighter fully enclosed maintenance hangars; one is to be used for phase maintenance; and the other for fuel cell maintenance. The facilities will include a reinforced concrete foundation and floor slab, structural steel frame, standing seam metal roof and exterior. The hangars will have the necessary connecting taxiways and roads. The hangars will have the necessary supporting utilities to include communications, power, HVAC, plumbing and fire protection systems. Facilities will be designed as permanent construction in accordance with the DoD Unified Facilities Criteria (UFC)1-200-01.							
Bulk POL Storage	Jordan	Middle East (TAM)	Q1 FY23	236220	\$25-100M	Unrestricted	C-Type FFP
Description of Work: This MILCON project consist of the construction of three (3) 10,000-barrel cut and cover Petroleum, Oil, And Lubricants (POL) Storage with associated concrete and steel pump houses and filter facility. The project also includes two (2) R-11 refueler vehicle fill stands, a receipt system, associated pavements, utilities, communications, site improvements, and security fencing to provide a complete and useable facility. There are no existing facilities to be demolished. Facilities will be designed as permanent construction in accordance with DoD Unified Facilities Criteria(UFC) 1-200-01.							
Egyptian Navy Equipment Sustainment Case	Egypt	Middle East (TAM)	Q1 FY23	333120	\$25-100M	Unrestricted	C-Type FFP
Description of Work: This Foreign Military Sales (FMS) project will provide the Egyptian Navy an avenue to purchase miscellaneous equipment (welders, tools, equipment, etc.).							
Design Build/Design Bid Build MATOC	Syria	Expeditionary (TAE)	Q1 FY23	236220	\$100M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: The contract will be for an Indefinite Delivery Multiple Award Task Order Contract (MATOC) NTE 5 years using design build or design bid build for construction of various facilities in Syria.							
Iraq Personal Services Contract SATOC	Iraq	Expeditionary (TAE)	Q1 FY23	541990	\$25M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: The contract will be for an Indefinite Delivery Single Award Task Order Contract (SATOC) that will support Expeditionary District construction program in Iraq, particularly in areas where USG personnel cannot be hired or sponsored.							
Zone 4 Microgrid Controller, Camp Arifjan	Kuwait	Expeditionary (TAE)	Q1 FY23	236220	\$10-25M	Unrestricted	C-Type FFP
Description of Work: This MILCON project consists of the installation of a 1.25MW roof mounted photovoltaic (PV) solar arrays and microgrid system. The microgrid system will include a master microgrid controller, synchronization controllers, and automatic transfer switches controlling the generation resources within. Install a 1.5MW, 1.5MWH battery energy storage system (BESS) to help resolve power quality issues. This includes the energy storage unit, inverters, distribution lines, transformers, controls and communication, AC/DC wiring with conduit, and security measures.							
Job Order Contract, Kingdom of Saudi Arabia	Saudi	Middle East (TAM)	Q2 FY23	236220	\$50M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: The contract will be for an Indefinite Delivery Single Award Task Order Contract (SATOC) for minor construction, repair, and alteration of various facilities in the Kingdom of Saudi Arabia.							
Kuwait Ministry of Defense, Maintenance & Support Services, SATOC	Kuwait	Middle East (TAM)	Q2 FY23	561790	\$25M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: This FMS project will be Maintenance and Service Contract covering several Kuwait Ministry of Defense facilities. Contract will include routine and preventive maintenance which may include perimeter fence repair (including sand removal), HVAC system maintenance, CCTV, electrical systems, generator maintenance, fire alarms, lighting, etc.							
Design Build/Design Bid Build MATOC	Kuwait	Expeditionary (TAE)	Q2 FY23	236220	\$240M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: Description of Work: The contract will be for an Indefinite Delivery Multiple Award Task Order Contract (MATOC) NTE 5 years using design build or design bid build for construction of various facilities in Kuwait.							
RUNWAY 08/26 REPAIR	Jordan	Middle East (TAM)	Q1 FY24	237310	\$10-25M	Unrestricted	C-Type FFP
Description of Work: This O&M Project consists of the construction of two separate repair efforts on Runway 08/26. Package 1 is for the complete replacement of the concrete touchdown. Package 2 is for the replacement of airfield lighting and signage on 08/26.							
Replacement Job Order Contract, Kuwait	Kuwait	Expeditionary (TAE)	Q3 FY23	236220	\$75M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: The contract will be for an Indefinite Delivery Single Award Task Order Contract (SATOC) for minor construction, repair, and alteration of various facilities in Kuwait.							
A-E Construction Phase Support Services SATOC	CENTCOM	Middle East (TAM)	Q4 FY23	541330	\$75M Capacity/IDC	Unrestricted	IDIQ-Type FFP
Description of Work: This procurement is subject to the Brooks Act (non-personal services). Contractor will be required to provide construction phase services in the CENTCOM area of responsibility. Services may include requirements for project engineers, office engineer, engineering technicians, geographic information system specialist, quality assurance representatives, construction scheduler, project manager, etc.							
Construct/Renovate Warehouses, 35th Brigade	Kuwait	Middle East (TAM)	Q4 FY23	236220	\$25-100M	Unrestricted	C-Type FFP
Description of Work: This FMS Project includes the construction of five (5) Army Prepositioned Stocks (APS) Warehouses for Kuwait Ministry Of Defense. (FMS)							
Hamat Air Base Phase 1	Lebanon	Middle East (TAM)	Q2 FY24	236220	\$5-10M	Unrestricted	C-Type FFP
Description of Work: The Foreign Military Financing (FMF) project will include multiple phases of construction for the repair, restoration and modernization of the Hamat Air Base to improve and expand the LAF-AF operational capabilities.							
Advance Intelligence Center	Jordan	Middle East (TAM)	Q3 FY24	236220	\$1-5M	Unrestricted	C-Type FFP
Description of Work: The FMS project consists of designing and constructing a facility to support Jordan's border security program.							
Restore Beirut Naval Base, Phase 1	Lebanon	Middle East (TAM)	Q4 FY24	236220	\$10-25M	Unrestricted	C-Type FFP
Description of Work: FMF project includes the construction of five (5) Army Prepositioned Stocks (APS) Warehouses for Kuwait Ministry Of Defense.							
CH-47F Hangers, Kom Awshim Air Base	Egypt	Middle East (TAM)	Q4 FY24	236220	\$25-100M	Unrestricted	C-Type FFP
Description of Work: This FMS project includes the construction of new 6-bay maintenance hanger, new wash rack, flight line apron pads, repurpose existing maintenance hanger to be used as a supply warehouse, install/add new airfield lighting at flight aprons and helpads, install new solar airfield lighting for existing runway and numerous pads, etc.							
P221 Aircraft Ready Fuels Storage	Bahrain	Middle East (TAM)	Q4 FY24	236220	\$25-100M	Unrestricted	C-Type FFP
Description of Work: The MILCON project provides a permanent fuel farm at Isa Air Base. Project consists of construction of 33,350 barrel above ground vertical bulk storage tanks consisting of single wall steel in concrete containment on a concrete pile foundation, 2 airfield refueler loading facilities w/canopies, operation support (admin and lab) facilities and a standing seam metal roof. Roof system may include renewable energy feature. Project also include demolition of numerous facilities.							
Border Security Barriers	Jordan	Middle East (TAM)	Q4 FY24	236220	\$100-250M	Unrestricted	C-Type FFP
Description of Work: This Project will include construction of barrier/wall as part of border security efforts. Project will be performed in phases due to funding limitations.
